

POLICY 412: Independent Homeschooler

The Board of Education of School District No. 8 (Kootenay Lake) will provide Independent Homeschoolers registered in the School District access to educational services in accordance with the *School Act*.

An Independent Homeschooler is defined as a student registered at a public school whose instruction is delivered at home. Parents and guardians of registered homeschooled children are responsible for the complete education of their children. Parents and guardians have the responsibility to provide and supervise the educational program.
