

POLICY 750: Heritage

The Board of Education of School District No. 8 (Kootenay Lake) supports the retention and preservation of educational artifacts and archival records that document the historical heritage of schooling in School District No. 8 (Kootenay Lake).

This may include the compilation, collection, restoration and preservation of significant records, major reports, textbooks, school and classroom furnishings and objects, as well as any other item that has relevance to education in this region.

The District also supports the efforts of historical societies and museums in all communities served by the District to preserve and maintain the educational heritage of the area.
